

500 ° Aniversario del Nacimiento de Isabela La Católica

500 ° Anniversary of the birthday of the Queen Isabel The Catholic

500° Anniversaire de la naissance de la Reine Isabelle La Catholique

The VI° congress of the PUAS approves like recommendation, that all the Postal Administration of the UPAE commemorate the next 500° anniversary of the birth of the Queen Isabel The Catholic by means of the emission of one stamp or a set of stamps that evokes the memory of the great queen.

Thus we can say that it's the first joint emission of the PUAS, before the set America-UPAEP !

The VI° congreso UPAE aprueba como recomendación, que todas las Administraciones Postales de la UPAE conmemoren el próximo V Centenario del nacimiento de Isabel La Católica mediante la emisión de un sello o una serie de sellos que evoque la memoria de la gran reina. ¡ Así se puede decir que se trata de la primera emisión conjunta de los países miembros de la UPAE, antes de la serie America-UPAEP !

Le VI° congrès de l'UPAE approuve comme recommandation, que toutes les administrations postales de la UPAE commémorent le prochain 500° anniversaire de la naissance d'Isabelle La Catholique au moyen de l'émission d'un timbre ou d'une série de timbres évoquant la mémoire de la grande reine.

Ainsi on peut dire qu'il s'agit de la première émission conjointe des pays membres de la UPAE, avant la série America-UPAEP !
